Any student permitted to enroll after the designated enrolment window as per the enrolment dates above will be required to pay a Late Enrolment fee.

PARKING | R 1 000

On-campus parking disk. Applicable to all first years entering into Degree programmes and all students entering into Higher Certificate, as well as to all returning second-year students. This does not guarantee you a parking but allows you access to park on campus as is standard practice with institutions that have on limited campus parking. This is to encourage students to carpool and share transport to campus. Parking needs to be paid upfront before a parking disk is issued. Access will not be granted without a valid parking disc.
